TAX PAYMENT OPTIONS

The Town Office staff would like to remind you that property tax payments are due upon receipt of the tax bill. Interest will begin to accrue on any unpaid balance after 60 days of the commitment date. The staff would like taxpayers aware that partial payments are accepted. Prepayments of taxes not yet assessed are also accepted and will be applied to the next bill.

VETERANS TAX EXEMPTION

Pursuant to M.R.S.A Title 36, §6536, there will be up to a \$6,000 exemption on the value of any residence of veterans who served in the Armed Forces of the United States during any federally recognized war period when they have reached the age of 62. The exemption also applies to the property of an un-remarried widow of a veteran who meets the eligibility requirements.

MAINE HOMESTEAD EXEMPTION PROGRAM

This is legislation which gives property tax relief to permanent residents of Maine. To qualify for this exemption, the homeowner is required to fill out an application, which is available at the Town Office. The property must be your primary residence and you must be the assessed owner for at least one year by April 1st of the year you are applying for the exemption. To be eligible for the exemption on your 2024 tax bill, you must have been assessed and resided in a Maine homestead on April 1st, 2023. Forms filed after April 1st of any year will apply to the subsequent year tax assessment.

TREE GROWTH TAX LAW

Please be advised that all landowners with woodland enrolled in Maine's Tree Growth Tax Program must have a forest management and harvest plan developed for their property every 10 years. The legislature instituted this requirement in 1989. Anyone purchasing land which is enrolled in the Tree Growth Tax Program has one year from the date of purchase to complete a forest management and harvest plan. Failure to do so within the one-year period will result in non-compliance with the program rules and substantial penalties may be assessed.

This plan may be prepared either by a Maine Licensed Professional Forester or by you the landowner. If you choose to prepare your own plan, it must, by law, be signed by a Licensed Professional Forester. When the plan is completed, you as the landowner need to submit a new application to the Town stating that the plan is done. You do not need to submit the plan to the Town, only the new application.

Guidelines for items that must be included in the forest management and harvest plan are available from the Maine Forest Service. A plan that meets the minimum requirements for the Maine Tree Growth Program is a basic document, a good starting point for a comprehensive natural resource management plan. Cost share money may be available from the Maine Forest Service to help defray the cost of a comprehensive natural resource management plan through the Forst Stewardship Assistance Program, although these funds are limited. information on the Maine Tree Growth Tax Program, the planning requirements, or cost share programs, please contact the Maine Forest Service at (207) 287-1073 or 1(800) 367-0223.

NOTICE OF AVAILABILITY OF GENERAL ASSISTANCE

The General Assistance Program is intended to assist people who are in need and have nowhere else to turn. It provides assistance for basic necessities such as rent, food, personal and household supplies, medication, heating fuel, utilities, and other essential services. All assistance granted is in voucher form and no cash assistance is granted.

Any person in need of General Assistance from the Town of Patten may apply for assistance at the Town Office. Because of the process with the State, please come on a day other than Friday, if possible. If you are unable to contact the Town Office, you may contact the Penobscot County Sheriff's Department at 1(800) 432-7911. The Department of Health and Human Services' toll-free number to call with questions regarding the General Assistance Program, or to report alleged violations is 1(800) 442-6003.

BUILDING PERMITS

Before any new construction, conversions, additions, relocations, renovations, or replacement of any structure, including trailers, manufactured homes, and/or recreational vehicles when connected to any utility and/or used as a residence for a period of more than thirty days, you must contact the State of Maine Land Use Regulation Commission (LURC). You can reach LURC at (207) 287-2631 to obtain the permit or to answer any questions regarding the permit process or any other code enforcement issue including Shoreland Zoning and other land use issues.

PLUMBING PERMITS

Plumbing permits are required per the State of Maine Plumbing Code. Permits may be obtained by contacting Bruce Hussey, Licensed Plumbing Inspector at (207) 554-9051.

BURN PERMITS

Anyone burning logs, stumps, roots, slash, fields of dry grass, pastureland, blueberry land, and / or debris, is required by Maine Law to obtain a burning permit. Permits may be obtained by contacting the Fire Warden, Jason Peavey, at (757) 553-8739 or online at:

www.maineburnpermit.com

Important Burn Safety Information:

- You may only burn after 5:00pm, when conditions are safest.
- Be sure to have adequate help and equipment to control your fire.
- You are responsible for your fire and any damage it causes.
- It is illegal to leave your fire unattended at any time.

PUBLIC NOTICES

DOG LICENSES

All dog owners must license their dogs before December 31st of each year. Dog licenses may be obtained at the Town Office during business hours. The fees for dog licenses are set by the State of Maine Department of Animal Welfare and it is \$6.00 for an altered dog and \$11.00 for an unaltered dog. The State of Maine requires us to charge a late fee of \$25.00 per dog after January 31st. **You are required to show proof of rabies vaccine and neuter / spay certificate, if applicable.** If you cannot get to the Town Office and the rabies paperwork is up to date, you may license your dog through the mail or online at https://apps1.web.maine.gov/cgi-bin/online/dog_license/index.pl

RECREATIONAL VEHICLE REGISTRATIONS

Registrations of boats, all-terrain vehicles (ATVs), and snowmobiles may be obtained at the Town Office during business hours or online at www.mefishwildlife.com. ATV and snowmobile registrations expire annually on June 30th. All boat registrations expire annually on December 31st.

LIFETIME HUNTING AND FISHING LICENSES

Effective January 1st, 2006, the State of Maine changed its complimentary hunting and fishing license program to a Lifetime License Program. Lifetime licenses are available to all persons under the age of 15 and to those 65 years of age and older. Lifetime licenses must be obtained through the State of Maine, but applications and price lists are available at the Town Office. If you are over 70 years of age, you can obtain a lifetime hunting and fishing license at the Town Office for a one-time fee of \$8.00.

Moro Agreement for 2024 Library Services

Billie Doody
Moro Town Office
PO Box 542
Patten, ME 04765-0542

November 27, 2023

Dear Billie Doody:

The Cary Library trustees and I would like to thank the residents of Moro for their support over the past years. Contributions from area towns like yours enable the library to provide the services that many of your citizens depend on. Town appropriations are based on the population of each town, adjusted by that town's distance from the Library. The 2024 appropriation for Moro is **\$124.00** (\$3.74 per person based on your town's population of 33). The Town of Houlton's 2024 appropriation is \$173,212.00 (\$31.87 per person based on their town population of 5,435). They continue to subsidize the majority of library service costs. Population figures are from the 2022-2023 Maine Municipal Directory.

The Cary Library strengthens your community by enhancing and contributing to individual knowledge and experiences and promotes literacy and lifelong learning through print, electronic resources, cultural activities, programs and services. The need for open access to computers and the Internet remains high and continues to grow. People visit the library for many reasons beyond finding reading material. We have take-home kits for various learning opportunities. Printing, copying and scanning have become a demanding need and we are working on providing wireless printing. Where there is a need, we make every attempt to help fulfill that need.

We reach out to families and individuals, young and old, to promote literacy. We offer several important early literacy programs, many now available as kits to take home. Early Learners; Phonics; Toddler Time; STEM kits in science, coding, engineering and more! We recently added adult kits to share with loved ones who are experiencing memory loss. We have an Orion telescope and a microscope available for checkout. Soon we will offer kits for reinforcing some essential skills as well as learn a new skill such as sign language, chess, or yoga. In addition, our summer reading program goal to keep children reading throughout the summer is very well attended with record numbers of books being read in the five week program.

Your town's appropriation at the requested level of **\$124.00** allows us to continue providing much needed library services to your community. We make every attempt to keep costs to a minimum and solicit outside funding through grants and donations. If you wish a representative from the library to attend your town meeting or to meet with your municipal officials, please let us know. Thank you again for your past support.

Sincerely,

A handwritten signature in blue ink that reads "Linda Faucher".

January 1, 2024

Dear Friends,

Thank you for allowing me to add my congratulations and gratitude for the positive differences each town and city in Maine makes for its people and ultimately for Maine as a whole. When I travel around the state and visit the various regions in Maine, I see firsthand the differences you all make, the focus you put on excellence, and the helping hands you extend to neighbors. I have learned valuable lessons watching your collaborations with each other. They got the State motto right – *Dirigo* – because you all certainly do lead the way and exemplify the best of Maine.

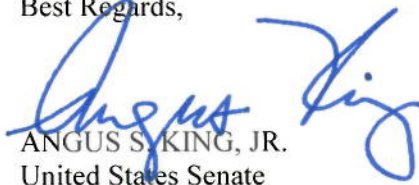

First, it was a true honor to be appointed to the Senate Veterans Affairs Committee this year to help address the challenges facing Maine veterans. We owe our way of life to these brave men and women and share a collective responsibility as a grateful nation to give back to our veterans. That means delivering veterans the benefits they have earned, addressing the veterans' suicide crisis, improving transition-to-civilian-status programs, and ensuring every veteran can access essential services, like affordable housing and behavioral healthcare.

Next, one of the most significant infrastructure projects in Maine history is underway: affordable and universal broadband availability throughout the state. Supported through funding in the bipartisan infrastructure bill, we are now within striking distance of broadband service even in our most rural communities. Additionally, infrastructure improvements in our roads and bridges, water and septic upgrades for our towns and support for our workforce and employers are also in the pipeline. Serious steps are being taken to address the toll from substance abuse and to provide our older neighbors with resources to help them continue to stand strong throughout their golden years. It is my goal here to make sure everyone has access to stable employment opportunities and quality healthcare which is of critical importance to keep our families healthy and happy.

I am thankful for each town in Maine for their commitment to their communities, to their citizens, and to this country. I will do my part to listen to your concerns and work to find useful solutions to the issues you face. My offices throughout Maine remain available to you if you face hurdles with the federal government, whether it be veteran issues, social security problems, student loans, immigration, tax assistance and more. I hope you will reach out of my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow me the chance to be part of your solutions. Together, I know we can continue to build a stronger, brighter future for our great state.

Maine is known for our grit and resiliency and we are making great strides — something others across the country have noticed. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2024.

Best Regards,

Dear Friends:

It is an honor to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share an update on issues important to Maine and America.

One of my priorities for 2023 has been to improve the appropriations process in Congress – the way it decides how to spend taxpayer money. I took over as the Vice Chair of the Senate Appropriations Committee last year. Along with Chair Patty Murray, we decided the best change we could make was not to do something new. Instead, it was to do something old – that is, go back to the regular and transparent committee process that we used to have.

Part of restoring this process included holding 50 public Committee hearings, which allowed for input from senators on both sides of the aisle. As a result, for the first time in five years, the Senate Appropriations Committee passed all twelve of its funding bills on time. This was done with strong bipartisan support. In fact, seven of them passed unanimously.

Now, we need to work with the House of Representatives to pass these twelve bills and turn them into laws.

These bills contain funding for a wide range of Maine priorities, including support for the workforce at Bath Iron Works and Portsmouth Naval Shipyard, our lobster industry, infrastructure improvements, affordable housing, biomedical research, veterans, and heating assistance programs like LIHEAP. These bills also contain nearly \$590 million in Congressionally Directed Spending for 231 projects throughout the State of Maine. These projects would help promote job creation, expand access to health care, and improve public safety, infrastructure, and important resources in communities across all 16 counties of our state. I will continue to work to get these bills signed into law in the new year.

On October 25, the horrific mass shooting in Lewiston claimed the lives of 18 Mainers and injured 13 others. In response, I led Maine's Congressional Delegation in requesting an independent investigation by the U.S. Army Inspector General into the events leading up to the shooting. On December 15, the Under Secretary of the Army wrote to inform me that such an investigation will take place, and the Army Inspector General has instructed her team to immediately begin preparing to conduct this investigation. While nothing can undo the events of October 25, I will continue to work to understand what happened and what could have been done differently, and to find answers for the victims, survivors, and their families.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,855th consecutive roll call vote.

As we look ahead to 2024, I remain committed to addressing the concerns of Maine families and communities. If you need assistance or wish to share your thoughts, please do not hesitate to reach out to one of my six state offices.

Sincerely,

Susan M. Collins
United States Senator

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Maine Resident:

In January, I was privileged to take the Oath of Office to begin my second term as your Governor. I am deeply humbled by the trust the people of Maine have placed in me, and I look forward to continuing to work hard over the next four years to improve the lives and livelihoods of Maine people.

Over the past four years, we have made real progress. We have expanded health care, leading to the largest decline in the uninsured rate of any state in the nation. We fully funded the State's share of public education. We delivered two-years of free community college. We fully restored municipal revenue sharing to five percent. We delivered substantial tax relief, nation-leading inflation relief, and emergency energy relief to help Maine people through difficult times.

Through the Maine Jobs & Recovery Plan, we are strengthening and diversifying our economy. In 2022, our state's gross domestic product – a key measure of economic growth – grew at the 9th fastest rate in the United States. People are moving to Maine at a rate higher than any other New England state, and at one of the highest rates in the nation. We have enacted balanced budgets, and we have built up Maine's "Rainy Day" fund to a record high, preparing our state to continue meeting its commitments in the event of an economic downturn.

While I am proud of the progress we have made, there is more to do, like addressing the housing crisis, the workforce shortage, and the opioid epidemic and strengthening health care, education, and the economy. I know that by working together to tackle these issues head-on, we can improve the lives and livelihoods of Maine people and make Maine the best place to live, work, and raise a family.

Thank you again for the honor to serve you as Governor.

Thank you,

Dear Friends and Neighbors,

As the second Regular Session of the Maine State Legislature convenes, I would like to thank you for granting me the opportunity to serve Patten, Hersey, and all of House District 29, in the Maine House of Representatives.

The First Regular Session of the Legislature was a busy one, as lawmakers faced many difficult issues and decisions. I believe you will be pleased with some of the accomplishments of the 131st Legislature so far. My colleagues and I were able to pass multiple bi-partisan spending agreements that included supporting hospitals and long-term care facilities, working to stabilize highway and road funding, and improving the efficient delivery of government services. I continue to support legislation that would reduce high-energy costs while shoring up supply resiliency and capacity, as well as procurement and generation priorities. As a Republican lead of the Legislature's Committee on Health & Human Services, I look forward to continuing our work during the Second Regular Session as we tackle matters that are crucial to our community.

I was elected to the Maine Legislature on the promise to represent you, the people of District 29. To do this, I will be seeking your input regularly and want to hear from you with your comments and concerns. Please call me anytime at **(207) 290-1321** or email at Kathy.Javner@legislature.maine.gov to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by signing up at the town office or emailing me directly with your request.

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

January 2024

Dear Friends and Neighbors:

Thank you for the honor of serving you in the Maine Senate and for putting your trust in me to be your voice in Augusta. As a lifelong resident of Aroostook County, I am quite familiar with the many struggles our small towns face each year; and you can rest assured I will continue to work tirelessly on your behalf.

One area of unique success over the past year was the Highway Fund. Previously our Highway Fund has been supported through taxes on gasoline, yet those funds have been declining for years due to more fuel-efficient and electric/hybrid vehicles. Beginning this year the highway budget will now be funded by dedicating 40% of the sales and use tax collected by the State from vehicle purchases. This sustainable, long-term funding model should generate approximately \$200 million per biennium; and our state will be able to address many more transportation needs and projects, such as road and bridge repair.

A major impact that has been felt across Maine's towns, families, seniors and small businesses in general has been high costs and inflation. Tackling policies that have contributed to some of these high costs has been a priority of mine and I certainly will continue these efforts over the next several months and explore ways to ensure your tax dollars are being spent wisely.

In addition to confronting costs, the 131st Legislature was tasked with passing a balanced budget by June 30, 2023. This required careful review of current state spending and a prioritization of allocations that meet the most vital needs of our towns. We were able to continue funding our schools at 55% as well as increase revenue sharing to all cities and towns.

Again, thank you for electing me to be your voice in the Maine State Senate. As the Senate Republican Leader, I will remain steadfast in advocating for your best interests. Please do not hesitate to contact me at 287-1505 or trey.stewart@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

A handwritten signature in black ink, appearing to read "Harold Stewart", written over a horizontal line.
